A CHRISTMAS CAROL ONSTAGE DECEMBER 6 - 22, 2019

Written by Charles Dickens • Adapted by Romulus Linney • Directed by C. Suzanne Hudson-Smith, CFRE

An adaptation of the story of Ebenezer Scrooge's journey from an embittered, ungenerous creature into a giving, caring human being at the hands of three spirits, who, one Christmas Eve, show him what life means. This richly textured play brings the full spirit of the book, as well as those of Christmases Past, Present and Yet To Come, to life on the stage.

Our Studio Theatre is an intimate, 80-seat performance space that transforms beautifully to the perfect party spot! An open stage area works as a dance floor, a space for setting up tables, presentations, or whatever else your creative mind can come up with! There's built in theatre seating giving added space for your guests to relax.

Connected to the Studio Theatre is our Classroom, which is available for an add-on! The Classroom is perfect for setting up a bar, serving food (no restrictions on caterer choice), or using as a staging area.
